

Parenting Essentials for Parents with Young Children

4-Week Coaching Program

- Your child does not cooperate. Your child's behavior is hard to manage.
- You feel so frustrated. You wish that parenting was easier.

You see that look in your child's eyes. You want a better relationship.

Time is short, and you need help now.

You don't know where to turn. You don't know who to trust.

4-Week Coaching Program: Effective, Encouraging, Convenient

Facilitated by Jennifer Watanabe, a Child Behavior Consultant and Parent Coach. She helps parents help their children. For 24 years she taught positive parenting classes for Bellevue College in Washington state. She's taught hundreds of parents how to help their young children have better behavior. She offers private coaching and teaches Positive Discipline classes. In positive parenting discipline means to teach in a kind and nurturing way.
